INSURANCE ADVICE.

IT IS frequently the case that those who are considering the question of life insurance and who know that it is a duty they owe their family and themselves, keep putting off this vital matter from day to day and from year to year just because they do not know where to go for disinterested advice upon insurance matters.

If there are any readers of the Blue Book in such a quandary, they should call upon, or write, or phone Main 128, to Jay H. Emerson, Stock Exchange Building, Chicago. Mr. Emerson is General Agent of the New York Life Insurance Company, and has spent 16 years in the life insurance business, and will fully inform you of the best form of insurance to suit your needs, the exact cost, etc., and and will give you complete information upon any insurance matter without any obligation on your part. The service of Mr. Emerson will cost you nothing, and if you are even considering taking out any insurance anywhere, it will pay you to see Mr. Emerson first.

PREFACE.

ON September 1, 1909, all of the house numbers in the north and west divisions, and on east and west streets in the south division of the city were changed, and this Twenty-first issue of the CHICAGO BLUE BOOK contains the new addresses and possesses the features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation af our efforts.

The title, "BLUE BOOK," is given the work because of its *blue* cover. It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "BLUE BOOK — A parliamentary publication, so called from its blue paper cover, such being commonly used; *also, a book containing a list of fashionable addresses.*"

We do not claim the BLUE BOOK is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained herein. It is simply a compilation of about twenty-four thousand names of the most prominent householders of Chicago and suburbs within a radius of thirty miles, published in the most convenient form for reference by our lady patrons.

Neither time nor money has been spared to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We keep the entire work standing in type, that such corrections can be made promptly, and in this way we hope to make the CHICAGO BLUE BOOK as nearly perfect as it is possible to make such a volume.

While retaining all the old features, such a Calling Days, in the Street List, and Summer Residences in the Alphabetical List, we have added very materially to our Miscellaneous Information, Club Lists, Churches,

148840

etc. We shall always be pleased to receive any suggestions from our lady patrons whereby we can enhance the value of this work to them, or any information regarding Social or Literary Clubs and Associations which we have not already incorporated in our volume.

The data for this work have not been compiled from circulars or from other Directories. Experienced men, particularly adapted for such work, have been assigned to each locality, and the greatest care has been used in selecting these names. In order to issue the book before the Holidays, it is necessary for us to commence our annual canvass early in September. We would therefore deem it a great favor if those absent from their homes after October 1st would send us each year the information they wish inserted, in order that the work may possess that accuracy and completeness we have taken so much pains to secure.

Rates of Postage.

Mail Matter of the First Class.

The letter rate of postage is two cents for each ounce or fraction thereof throughout the United States, Alaska, Cuba, Hawaii, Guam, Porto Rico, the Philippines, Tutuila, Canada, Shanghai, (China), Canal Zone, the Republic of Panama.

The following classes of letters are not advertised: Drop letters, box letters, letters directed and sent to hotels and thence returned to the Post-Office as unclaimed, letters returned from the Dead Letter Office to writers, and card request letters; circulars, free packets containing printed documents, speeches and other printed matter. N. B.—A request for the return of a letter to the writer, if unclaimed within any number of days from 3 to 30 written or printed with the writer's name, Post-Office and state across the left hand end of the envelope, on the face side, will be complied with. Such letters will be returned to the writer free of postage.

Mail Matter of the Second Class.

This class embraces newspapers and other periodical publications, issued not less than four times a year, from a known office of publication, and bearing a date of issue, and which have no cloth, leather, or other substantial binding. Such publications must have a legitimate list of subscribers and must not be designed primarily for advertising purposes or for free circulation. The rate of postage on second-class matter when sent from the office of publication (including sample copies), or when sent from a news agent to actual subscribers or to other news agents, is one cent per pound or fraction thereof; but if sent by any other than the publisher or a news agent is one cent for each four ounces or fraction thereof.

Mail Matter of the Third Class.

Rate of postage: 1 cent for each 2 ounces or fraction thereof.

Third Class Matter consists of printed matter, books, circulars, mimeograph and neostyle copies. imitations of hand or typewriting (such matter must be identical as to contents and must be mailed at a post-office or station in at least 20 copies, separately addressed, to secure the third class rate; when mailed otherwise it will be first class); manuscript accompanied by proof, and all matter of similar character. There may be placed upon the blank leaves or cover of any book or printed matter of the third class a simple manuscript dedication or inscription not of the nature of a personal correspondence. Imitation matter, as well as ordinary printed circulars, may be dated, addressed and signed in either hand or typewriting, or by hand stamp. Samples of paper printed on, printed blotters, or cloth bearing an imprint, are fourth class matter; so also are memorandum books and generally matter in which the white surface exceeds the printed. Undeliverable third class matter is not given directory service, and when not of obvious value, is consigned to the waste. When it bears the proper return card, with promise of stamps in case of notification, notice of non-delivery is mailed to the sender. If due attention is not paid to these notices they are not sent thereafter, but the matter is disposed of just as if no card existed. Third and fourth class matter can neither be returned nor forwarded without the prepayment of postage anew. Limit of weight is 4 pounds, except single books, to which there is no limit.

Mail Matter of the Fourth Class.

Rate of postage: 1 cent for each ounce or fraction thereof. Limit of weight, 4 lbs.

Fourth Class Matter consists of merchandise admissible to the mails and all matter not included under the first, second and third heads. The matter in all cases must be properly wrapped or packed to bear transportation in the mails. Liquids are accepted only under rigid conditions as to packing. For these conditions inquire at the post-office or a station. Spirits, wines, etc., except communion wines, are not mailable; neither are poisons nor any matter liable to decompose or which exhales a bad odor, or by its nature is likely to damage or injure the mails. Descriptive written indorsements are permissible on fourth class matter. The item of return card, postage notice, etc., mentioned heretofore, is especially important in the case of merchandise. Merchandise may be sent to Canada, Cuba and Mexico under practically the same conditions as in the United States, its territories and possessions; though, of course, subject to the customs regulations of these countries.

The form of return card which should be used on second, third and fourth class matter is as follows: "If not delivered within 10 days, postmaster will please notify John Jones, 236, 50th street, Chicago, Ill., who will provide return postage."

Post Cards.

Unfolded pieces of cardboard not exceeding 3 9-16 by 5 9-16 inches and not less than 2 3-4 inches by 4 inches are transmissible in the domestic mails, including the Island Possessions and to places in Canada, Mexico, Cuba, the republic of Panama, the U. S. postal agency at Shanghai, China, and the Canal Zone at the postage rate of one cent each. To all other countries the postage is two cents. Postage must be prepaid by affixing stamps of the proper value.

Weight and Quality—Must be substantially that of the Government postal card of like size.

Color—Any that will not interfere with a legible address and postmark.

They may, or may not, at the option of the sender, bear near the top of the face the words "Post Card."

The face of the card may be divided by a vertical line; the left half to be used for a message, etc., but that to the right for the address only.

Very thin sheets of paper may be attached to the card, and then only on condition that they completely adhere thereto. Such sheets may bear both writing and printing.

Advertisements and illustrations may appear on the back of the card and on the left half of the face.

When post cards are prepared by printers and stationers for sale, it is desirable that they bear in the upper right-hand corner of the face an oblong diagram containing the words, "Place postage stamp here," and at the bottom of the space to the right of the vertical dividing line, the words, "This space for the address."

Cards which do not conform to the conditions prescribed by these regulations are, when sent in the mails, chargeable with postage according to the character of the message—at the letter rate, if wholly or partly in writing, or at the third-class rate, if entirely in print.

Cards bearing particles of glass, metal mica, sand, tinsel, or other similar substances, are unmailable, except when enclosed in tightly sealed envelopes.

The address may be in writing, printing, by means of a stamp, or by an adhesive label of not more than three-fourths of an inch by 2 inches in size. The sender may in the same manner indicate his name and address on the face or back of the card.

The message on the cards may be either in writing or print.

Any card of foreign origin which, from its title in any language, appears to be a Post Card and conforms to the above requirements, shall be admissible to the mails (domestic or international), when prepaid in United States postage stamps.

Money orders may be collected at the general office, or at any of the stations in this city. They may also be deposited in banks like drafts or checks, or they may be indorsed for collection through other business channels, always observing the same precaution for identification, etc., given to bank checks. When the payee or remitter of a money order collects it in person at the post-office, or station, or when he deposits it in a bank for collection, he should sign it on the face at the place provided for receipt, and not on the back. When, however, he transfers the order to other than a bank he should sign the form of indorsement on the back. More than one indorsement is prohibited by law, the purpose being to restrict the use of money orders to remittances, but the collection stamps of banks are not construed as additional indorsements.

ALPHABETICAL LIST.

THE BLUE BOOK.

CONTAINING THE NAMES OF PROMINENT HOUSEHOLDERS OF CHICAGO AND SUBURBS, ARRANGED IN ALPHABETICAL ORDER ACCORDING TO NAMES, GIVING ALSO THE SUMMER RESIDENCE.

TABLEWARE

¶ Whether it be a Dinner Service, a dozen Service Plates or a complete equipment for the Home, we are in a position to offer you the largest line of Fine Dinnerware of any house in America.

¶ In English China we specialize—Minton, Cauldon, Copeland and Crown Derby wares, which are universally acknowledged the World's Best.

¶ In French China we represent the Haviland and Avenir wares. Both makes are appreciated by those who are exacting in their tastes and who demand what is best in French China.

¶ See our superb line of Service—Game, Fish, Entree, Salad and Dessert Plates—suitable for every occasion and requirement.

¶ An investigation on your part will prove to you that we are indeed the "Tableware Store of the West."

TEACHER OF THE MANDOLIN

WHAT IS YOUR BOY TO DO AND BECOME

What is to be his place in the world? Will he manage your business to advantage? Is he being trained for efficient service in the profession he intends to take up, so that by doing his work well he will be helpful to his fellows? Or are comfort, ease and enjoyment to be his only aims in life.

THE INTERLAKEN SCHOOL AT LA PORTE, INDIANA

receives boys between the ages of ten and eighteen. Its methods are grounded on the experience of the German Rural Educational Homes, and in order to preserve the family character only a limited number of pupils are admitted. Small classes ranging from five to twelve in number make an individual treatment for each pupil possible. The sciences, mathematics, history and the modern languages are taught by the most effective methods. Practical work in the garden and manual training department, excursions on foot and wheel, visits to factories and other industrial enterprises form part of the course of instruction. Our older students have the opportunity of attending a branch school in South Germany, where they can enjoy the advantages of our method of travel and study.

In the Advanced Department, our students are prepared for entrance to Universities, or fitted by special courses for their particular work.

If interested, write or telephone for prospectus.

CHIROPRACTIC is the science of adjusting all sub-luxations of the articular joints of the human framework, especially the vertebrae, for the purpose of freeing the impinged nerves leading from the inter-vertebral foramina, causing disease and loss of function of the part supplied by these weakened nerves.

Chiropractic adjustments are quite different from the movements used by any other school.

DISTINCTIVE YEAR-BOOKS

For Clubs, Schools and Societies

¶ It has been aptly said that there are many things whose value lies in the fact that they are exactly right.

¶ Just so with year-books and announcements of organizations that stand for something more than the commonplace. They must be correct.

¶ Printing that is simple, distinctive, and dignified may always be had at the Lakeside Press, and it costs but little more than the characterless sort.

¶ Without extra expense, we will suggest the arrangement, choice of paper, and so forth, for your work.

Do You Hear Well?

DEAF or partially deaf people may now make a month's trial of the Stolz Electrophone in their own homes. This plan makes it possible for you to be ***very sure,*** before you purchase it, that the Stolz Electrophone is ***exactly suited to your personal needs.***

The Electrophone in use—*less* noticeable than eye glasses.

Opinions After a Test

"Your Electrophone enables me to hear speakers over 50 feet away. Without it I could not hear their voices. It has *improved my natural hearing at least 50%* and has *stopped the head noises.*"
E. P. Rogers, 159 La Salle St., Chicago.

"The electrophone is very satisfactory. Being small in size and great in hearing qualities makes it *preferable to any I have tried,* and I believe I have tried all of them."
W. M. Hoyt, 1 Michigan Ave., Chicago.

The Stolz Electrophone is a tiny ELECTRICAL hearing device which *magnifies* sound. It renders drums, horns, etc., useless and leaves *both hands* free. Endorsed by thousands, including many world-famous people. Call at our office and make arrangements at once for a Full Month's Home Test of a Stolz Electrophone. If you cannot call write for particulars and long list of satisfied users in Chicago and elsewhere, who will answer *your* inquiries.

Apollo Player Piano, Style K

The Melville Clark Apollo Player Piano

A Masterpiece of Mechanical Skill

Each of the 88 pneumatic fingers strikes a piano key with a human stroke, playing the composition as it was originally written and is played by the great pianists, and imparting an orchestral tone color to the score. No abridging or rearranging of the music.

All other Players have only 65 Notes or 5 Octaves

consequently the larger musical compositions must be rewritten or transposed to suit this five octave scale

You would not Buy a 65 Note Piano: Why would You Buy a 65 Note Player?

The Apollo Player Piano has also the **Effective Transposing Mouthpiece** which represents 95 per cent of player value. By its use the music can be transposed to any key to suit the voice or accompanying instrument. It also effectually obviates the endless trouble caused by the shrinking and swelling of the music roll due to atmospheric conditions.

The Apollo Player plays 58, 65 and 88 Note Music
